TERMS AND CONDITIONS

On or after the payment due date, your payment plan premium will begin to be deducted from your designated account each month. Changes made to the payment option must be received by Venture General Agency, LLC. at least 5 business days prior to the automatic payment date in order to be processed for that billing cycle. If your automatic payment is to be taken on a weekend or holiday, such payment will be drafted on the next business day. The designated account must be in the same name of the insured.

If a change to your premium occurs during the policy term, a new draft schedule will be mailed to you. If the change causes your premium to increase or decrease and there are more than 10 days until your next withdrawal, the change in premium will be spread over all future withdrawals including your next one. If there are fewer than 10 days until your next withdrawal, the change in premium will be spread over all future withdrawals, excluding the next one. If your policy begins with VGAL, the renewal down payment will not be automatically drafted from the account number you have authorized. All renewal payments must be made either through the Agent's office or with Venture General Agency Customer Service Center.

If your policy begins with VGAS, the renewal down payment will automatically be drafted from the account number you have authorized, unless a written request is received in our office, at the address noted above, 5 business days prior to policy effective date indicating you wish to cancel the EFT.

If you have a balance owing on your policy after the expiration date or cancellation date, we will draft your account for the earned premium approximately 25 days after expiration/cancellation.

If any automatic payment is returned unpaid by your Financial Institution for any reason, we will charge and you agree to pay us a returned check fee. We may change the amount of the fee from time to time. If any automatic payment is returned/declined for any reason, Venture General Agency, LLC. will issue a Notice of cancellation for Non-Payment.

Payment Due date will be your draft date. Please see policy invoice.
