GENERAL RULES

1. All applications must be submitted on VGA's application.
2. If application or endorsement contains UMBI, UMPD, PIP coverage or Physical Damage, two (2) clear color photos showing all four (4) sides of vehicle(s) must be attached to the application.
3. All information on the application must be accurately completed. Material misrepresentation may result in denial of coverage and the policy will be considered null and void.
4. All agents are required to abide by the Texas Department of Insurance Rules and Regulations regarding the execution and binding of insurance policies. Any violations could result in the policy being null and void, expose the agency to an Errors and Omissions claim or even void the agency contract with the Company.
5. The policy fee is earned as collected and non-commissionable.
6. Commission on policies will be paid within twenty (20) days after the end of a month. All commission activity is netted out on "Agent's Monthly Statement" and paid accordingly. If there is a balance due back to VGA, the agent must submit payment upon receipt of statement.
7. VGA forms are required to be used for processing our business. All forms are available on our internet site (www.venturega.com).
8. If there is a quote discrepancy between our system and a comparison rating system, the rate from our system will be the correct rate. Please notify and fax us a copy of any discrepancies immediately, so we can take steps to correct the issue.

IMPORTANT NOTES

1. No flat cancellations will be allowed on any policies returned after the inception date. All cancellation requests must indicate the reason for cancellation. A policy may be flat cancelled if we receive proof of duplicate coverage or insufficient funds.
2. All policy cancellations by the company will be pro-rated using a pro rata calculation.
3. On a check returned for Non-Sufficient Funds (NSF), policy or renewal extension applicable to the NSF check shall be null and void and of no benefit or affect whatsoever. The policy shall not be reinstated.
4. We may order MVR's, background and household reports on every risk. Please encourage the applicant to fully disclose all household residents and their driving record to avoid the need for premium adjustments or cancellation.

5. Reinstatements without a lapse in coverage are not available on 6-month policies if coverage has lapsed. Policies can be reinstated with a lapse in coverage with a reinstatement Fee. No premium is owed for the lapsed period in which policy is not in effect.
6. Direct Bill, mailed in payments, postmarked on or after the cancellation date will be reissued and coverage reinstated with a lapse in coverage and an effective date the day after postmark. Premium is not owed for any period in which the policy is not in effect.

BINDING

IMPORTANT

All risks must be uploaded into our internet site to be properly bound prior to issuing an ID card. This includes all New, Renewal, Endorsements, and Direct Bill Installments. 2. The application is correctly completed and indicates the exact coverage requested.
3. The application **MUST BE UPLOADED OR FAXED** to the Company within one (1) working day and the original retained on file at the agency and subject to audit. Please contact us to make any special request arrangements.

7. If an applicant declines to participate in the Electronic Signature process, then the agent must allow the applicant the option to complete the application process using a traditional pen and paper.
